Notes:

- Minimum number length (after country code): 3 digits. For example: +357 132 (CYTA Customer Care).
Maximum number length (after country code): 11 digits. For example: +357 123 22XXXXXX.
- All numbers in Kyrenia district (27XXXXXX) are inaccessible and barred at our International Exchange, due to occupation of this district by Turkey.
- Foreign Administrations are requested to provide access to +357 1881, 1882 and 1883 so that Soeasy prepaid card holders travelling abroad may access their account information.
- Premium Rate Services are barred at CYTA's International Switching Centres.
