

www.cytaglobal.com

From East to West we keep you in touch

.....

We are based in Cyprus, at the crossroads of Europe, Asia and Africa. Through our state-of-the-art global network, we provide a wide range of international telecommunications products, services and total solutions, making Cyprus a major telecommunications hub in the Eastern Mediterranean and an excellent international electronic communications center.

- Submarine cable capacity on IRU and lease basis
- Dedicated fiber links to major international POPs
- IP and MPLS connections over fiber and satellite
- Satellite turnaround services and teleport facilities
- Global internet connectivity and private leased lines
- Premium quality international wholesale telephony

Cytaglobal is your bridge between East and West, carrying your voice, data and video messages across continents, to destinations to the four corners of the world.

From East to West
